Child Sponsorship Program

How sponsorship works - for the child

The aim of this program is to sponsor a child in their own country who requires care due to physical or mental disabilities. Sponsorship provides support for education, medical needs and helps pay for their care. Sponsorship is through International China Concern (ICC), a world wide Christian Organisation who are dedicated to the care of children in China.

How sponsorship works - for the sponsor

Sponsoring a child gives you a wonderful opportunity to help change the life of a child. Through International China Concern's '*Hand in Hand*' Child Sponsorship Program you can reach out in love and grasp the small hand of one of China's disabled orphans, enabling them to receive top quality care in a home-like environment from devoted ICC-trained Chinese care-workers.

The cost is more than a single sponsor parent is normally able to provide, so each child will have up to six other sponsor parents from around the world, working Hand in Hand with the child to provide for all their needs.

What you will receive

On receipt of your application form, we shall send you a full letter of introduction about your child and a recent photo. Every four months or so we shall send you an update on your child, and a new photograph once a year.

What it takes

The cost of sponsoring a child is equivalent to \$A28.00 per month. Sponsorships are paid annually (**A\$336.00**), and run from May to April, with sponsorship renewal forwarded in March each year. All of the money goes directly to the sponsored child. ASIAC pays all postage and administration is voluntary.

To sponsor a child now, complete the attached form.
