Child Sponsorship Program

How sponsorship works - for the child

The aim of this program is to sponsor a child in their own country for education, medical needs, family support or in the case of children with disabilities to help pay for their care at the Eastern Child Welfare Centre at Pyongtaek. Most of the children needing sponsors live at Pyongtaek where they receive care, education and therapy

How sponsorship works - for the sponsor

Sponsoring a child gives you a wonderful opportunity to help change the life of a child. Through Eastern Social Welfare Society's (ESWS) Child Sponsorship Program you can reach out in love and grasp the small hand of one of Korea's disabled children, enabling them to receive top quality care at Eastern Child Welfare Centre.

What you will receive

Each sponsor is provided with a profile and photograph of the child and, during the year, updates on their progress. A Christmas card will also be sent to you, including a photo.

Gifts and letters can be organised for your sponsored child and in return you will receive a beautiful photo of your child holding or wearing your gift. In the case of handicapped children, their carers will write their letters. It is wonderful to read their letters of hope and encouragement written with much love for their charges.

What it takes

The cost of sponsoring a child is \$A20.00 per month. This can be paid quarterly (\$A60.00), half-yearly (\$A120.00) or yearly (**\$A240.00**). All of the money goes directly to the sponsored child. ASIAC pays all postage and administration is voluntary.

To sponsor a child now, complete the attached Sponsorship form.
